Good News! You are no longer required to choose a shipper!

However, your shipping costs are still separate from the Invoice you receive from Burchard Galleries. Shipping costs are NOT included. You will be responsible for making your shipping payment through the portal below or by contacting the UPS Store 3751 directly.

In an effort to make your buying and shipping experience more streamlined, we now have our number one preferred shipper:

Charlie Mosher at UPS Store 3751
